Florida Incident Complex 09232017
Executive Summary
0930 EDT (Day 20)

CURRENT OPERATIONS

- As of 09/22/2017 0600 EDT, a total of 0.07 % customer accounts are without power, representing **7,457** pending restoration.
- **50 (+5)** reported fatalities across FL.
- As of 09/21/2017 1000 HRS EDT, the following data was reported: 68,098, daily registrations, with a total of 1,107,819 registrations. **IA Data Warehouse is experiencing delays, not able to update for 9/22/17.**
- As of 09/22/2017, DSA had deployed 514 staff. 2,620 homes visited and 3,206 people registered total.
- DRC # 1 in St Johns County had 69 survivor visits.
- DRC #2 in Boynton Beach (Palm Beach) and had 199 survivor visits.
- DRC #3 opened in Riverview (Hillsborough) and had 58 survivor visits.
- DRC #4 opened in Ft. Myers (Lee) and had 88 survivor visits.
- **09/22/2017 Disaster Supplemental Nutrition Assistance Program (D--SNAP) approved for Florida.**
- **09/22/2017 Assistant FIMA Administrator arrived in Jacksonville to tour neighborhoods that were damaged and attended the adjusters briefing in Jacksonville.**
- **09/22/2017 At request of Department of Defense, DSA conducted on-site registrations at Homewood Suites, St Petersburg for military families living in Key West.**

INCIDENT PRIORITIES

- Temp Roofing:
 - **1-800-roofblu provides ROE sites, Residents must go to an ROE site to register.**
 - **Approximate time from registration to installation of roof is 30 days vice the 14 days previously briefed.**
 - **9 Counties awaiting FEMA approval for Blue Roof (Have asked USACE to identify the 9 and provide status).**
- **Infrastructure Branch established a critical infrastructure cell to develop recovery strategies from the collection and analysis of verified PDA data. PDAs are scheduled to begin 09/25/2017 with applicant briefings beginning 9/27/2017.**
- **Hendry County needs a solution for temporary/long-term housing. Residents in desperate need of housing. Task force established, planning initial meeting.**
- **Working with State partners to find additional locations for DRCs.**

FUTURE CONSIDERATIONS

- **9/22/2017 FCO visited the Keys with Governor Scott and Director Koon from the State. Based on this meeting FCO leadership reminded staff we need to be ready to move quickly to respond to needs in the Keys area.**
- **Refined the Direct Housing execution process and timeline for commercial parks and private lots. Started execution portion of Housing plan and began addressing two major areas of operations – Monroe County and 5 other counties.**
- **Disaster Survivor Assistance Cell is completing operational plan and aligning with phases of DRC operations. Developing Strategic Plan outline.**
- **Debris removal ongoing – debris removal resources are a challenge.**
- **Many private Trailer/RV Parks remain without power due to downed poles. As soon as private ownership fixes poles, power can be restored. The area affected includes the 40+ mile stretch between Moorehaven and Okeechobee.**

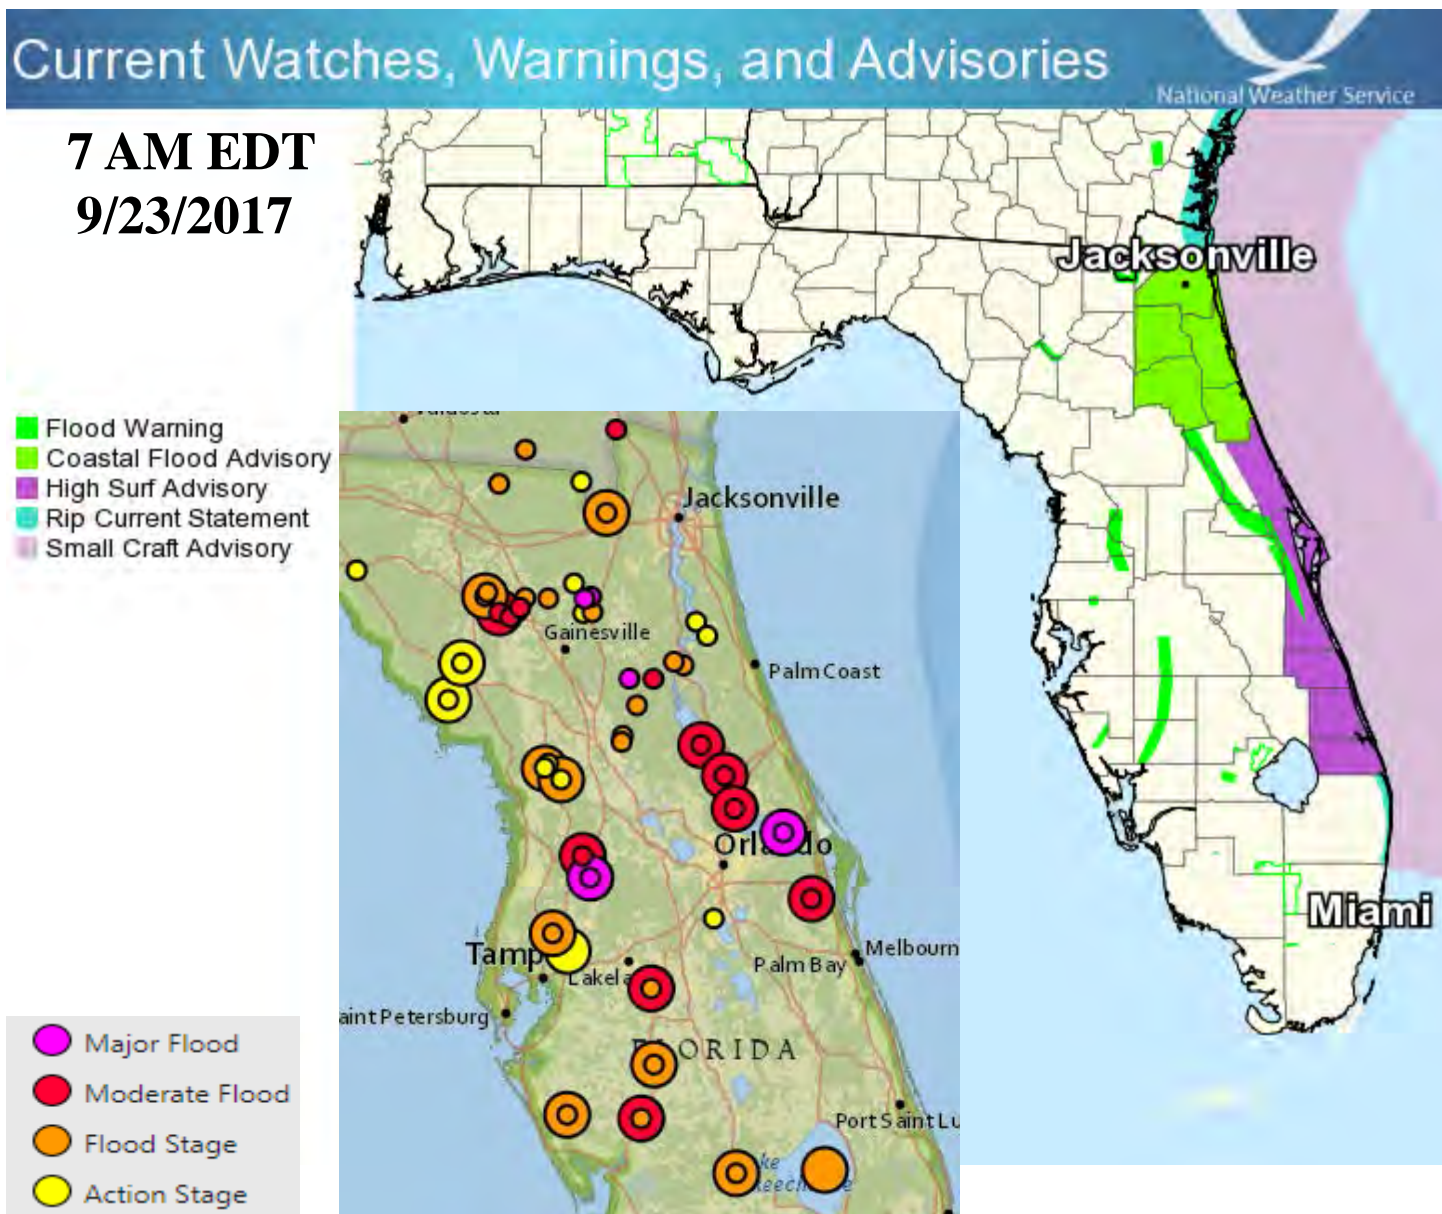

AREAS OF CONCERN

- **Need more language interpreters, Spanish and Creole (Haitian) - evaluating Surge Force for translation abilities.**
- **Need more DSA staff – Additionally there are 100 new DSA staff to report on Sunday, 09/24/2017 but they have no iPads to take registrations.**
- **Need flyers for DSA (50,000 English, 30,000 Spanish).**
- **Monroe County: DSA & DRC resources. County does not feel we are able to meet immediate needs of Citizens. People are asking, “Where is FEMA?” in highly affected areas. Information on DRC via Joint PIO release from State and FEMA is needed soon.**
- **Survivors continue to request temporary housing, shelters are closing and FEMA assistance has not arrived (Volusia, Brevard, Martin, and St. Lucie counties).**
- **Need more IA Caseworkers for applicants.**
- **Seminole Reservation –Power has started to come back on in Big Cypress.**

Hazardous Weather Overview

- Near normal with highs in the mid 80s-upper 80s; lows near 70–lower 80s. Scattered thunderstorms, especially Branches III, IV and V this afternoon.
- **Flood Warnings** remain in effect for portions of the St. Johns, Santa Fe, St. Mary's, Peace and Withlacoochee Rivers.
 - Rivers will remain steady/slowly receded through the coming weeks.
- **Coastal Flood Advisory** continues through Saturday night for coastal regions of Branches II.
- **High Risk for rip currents** and **High Surf Advisory** along the entire Atlantic coastline.
- **No immediate tropical threat posed from Maria other than high surf/rip current threat.**

Identified Issues & Trends

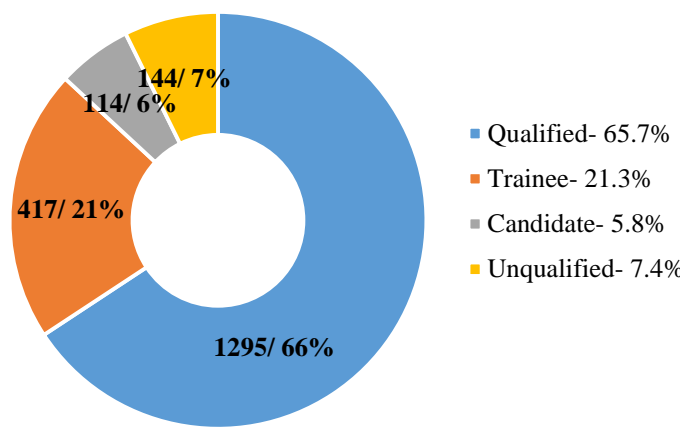

TRENDS:

- Survivors express gratitude for DSA/FEMA in their area (Palm County).
- Survivors reported an increase in the number of mosquitos.
- Survivors requested credentials to verify DSA Specialists are FEMA employees.
- Survivors continue to request temporary housing, shelters are closing and FEMA assistance has not arrived (Volusia, Brevard, Martin, and St. Lucie counties).

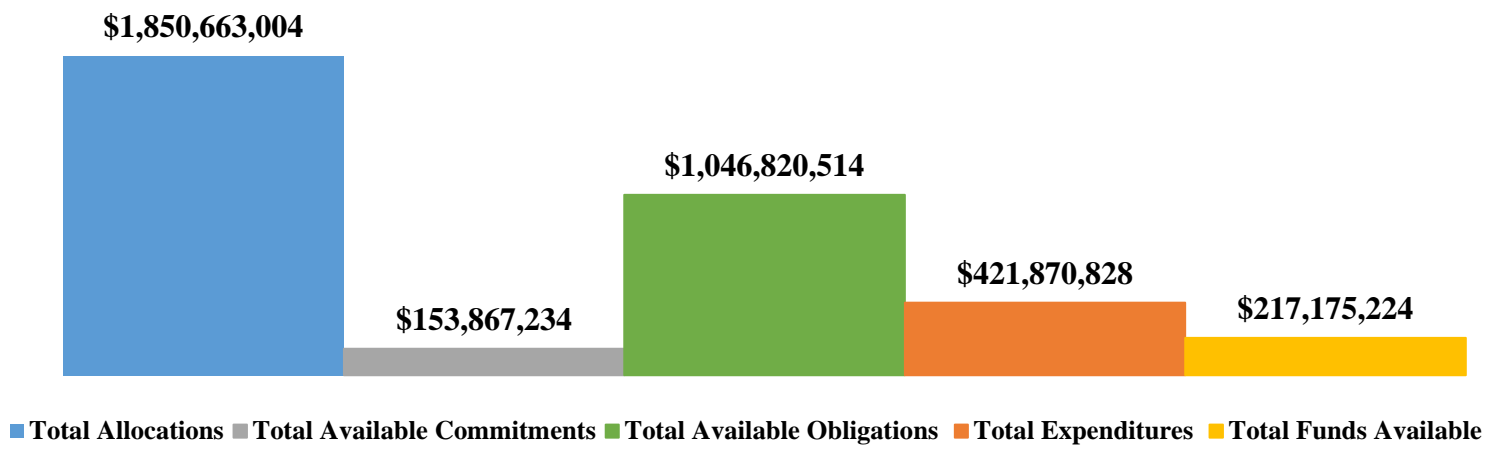

RUMORS:

- Survivors think everyone who lost power is receiving \$500 from FEMA (Orange).

Daily Incident Briefing Slides #16
Florida Incident Complex 09232017
Branch I/Issues and Challenges
0930 EDT (Day 20)

Tasks Accomplished:

- DSA crews completed registration intake at two fixed sites in Suwannee County.

Unmet Needs:

- One additional vehicle needed for each DSA crew to allow crews to be split up and more effectively utilized in rural counties.

Pressing Issues/Questions/Concerns:

- Process/criteria for adding counties to the major disaster declaration (IA/PA) is needed as multiple counties intend to request joint PDAs.

Community Feedback:

- No feedback at this time.

Branch II/Issues and Challenges
0930 EDT (Day 20)

FEMA

Tasks Accomplished:

- Completed all tasks listed in IAP.
- Registration event held in Alachua County (Div. W).
 - Four (4) staff assisted 228 people with registration.

Unmet Needs:

- No unmet needs.

Pressing Issues/Questions/Concerns:

- Coordination between IOF Logistics, IOF IA DRC, and Branches regarding DRC inspections.

Community Feedback:

- Three (3) counties requested meetings with IA, PA, MIT, & SBA SMEs; scheduled through Branch staff.

Daily Incident Briefing Slides #16
Florida Incident Complex 09232017
Branch III/Issues and Challenges
0930 EDT (Day 20)

FEMA

Tasks Accomplished:

- Div. Q-R: The City of Windermere on Orange County is hosting a “National Night Out” event from 5pm to 9:30pm. Expected attendee includes Senator Nelson.
- Div. P: Coordinated with county EM to support county disaster assistance center with FEMA DSA and DRC team members beginning Tuesday 9-26 until Thursday 9-28 COB.
- Div. T: The County is now 95% operational. Should be 100% Tuesday evening.

Unmet Needs:

- Div. M: Request for DRC- support still unmet.
- Div. N: Logistics Unmet Need: In addition to the previous Logistics request for (2) Pallets of Water, (5) Cases of Printer Paper, and (5) Folding Tables for the DRC, the following items are also needed: (10) additional chairs (FILLED), Waste baskets (8) (FILLED), 2 hole punch, 3 hole punch, Power strips (5), 3 10ft extension cords, 3 25ft extension cords, Pencils/ pens 3 boxes of each, Bright color printer paper.
- Div. N: There is an issue at the DRC with the telephone and fax connectivity. Coordinating with IT to resolve with AT&T. Issue may need to be elevated to resolve.

Pressing Issues/Questions/Concerns:

- Div. T: Withlacoochee River will meet the Major Flood Stage on Sunday, crest forecasted on Hernando County on Tuesday PM to follow. Hernando County is slightly over 12” ABOVE Major Flood Stage.
- Div. S: When will county receive remote sensing assessments allowing immediate access for categories C-G?
- Div. N: ++Special Request. If this is not possible, to resolve the issue, permission is requested from the USACE and FEMA leadership to relocate the USACE ROE sight to the DRC location. This will serve as a one stop shop for survivors.

Community Feedback:

- Div. N: There was an uptick in survivors visiting the DRC today. And it is anticipated that the numbers will increase over the weekend.
- Div. N: One item of concern was raised by the Senate Staffer regarding a situation in which an applicant has made a Congressional Inquiry regarding the status of their application and what impact does this have on the assistance that can be provided by the FEMA applicant services rep in the DRC. The resolution that was provided was that if a Congressional Inquiry has been officially filed on behalf of the applicant, then HQ will assign a specific applicant services representative and a new, specific case number. That case will now be handled by HQ and the applicant will receive notification of the status of the application.

Daily Incident Briefing Slides #16
Florida Incident Complex 09232017
Branch V/Issues and Challenges
0930 EDT (Day 20)

FEMA

Tasks Accomplished:

Broward County:

- Visited Right of Entry Collection Center.
- Met with EM Recovery Team.
- Participated in the Municipalities call.
- Scheduled to listen in to Governor's call to the Counties later today.
- Normal operations (answering questions and assisting with answers).

Unmet Needs:

Broward County:

- Shortage of debris haulers in area- issue being worked by the State.

Pressing Issues/Questions/Concerns:

Broward County:

- Debris Management.
- DRC locations.
- PA process beginning.
- Do we have any information of when the MDRC will be in Broward County?
- What is the appeals process for IA?
- Do we have the schedule for PA applicant briefings?
- When will our IGA staff be in the county?

Community Feedback:

Broward County:

- Main concerns from the community have been on the damages resulting from loss of power.
- Debris is being picked up but slowly.
- Questions continue of whether FEMA will assist residents with paying their deductibles to their insurance companies.

Daily Incident Briefing Slides #16
Florida Incident Complex 09232017
Branch V/Issues and Challenges
0930 EDT (Day 20)

FEMA

Tasks Accomplished:

Monroe County:

- Support Governors visit with FLDEM Director – participated in briefing at Marathon City Hall.
- Received Local Official approval of DRC site in Big Pine State Park for DRC possible soft opening Monday 9/25/2017 .
- Supporting Recovery Objective Had initial strategy discussion with Monroe Co. EMA
- Developed ground work for recovery programs specifically RPA USACE housing team surveys being conducted.
- 120 Blue ROEs were signed at the Habitat for Humanity collection site yesterday. First blue roof was installed in the county today.

Pressing Issues/Questions/Concerns:

Monroe County:

- Monroe County reducing “PODs” with comfort stations. County discussion on having FEMA presence to provide information to Survivors.
- Fuel and Energy (Power) are approaching restoration.
- Need to establish DRC / DSA footprint and plan of action for upcoming days - this Information is requested from County EOC to put out to public. We are struggling to get information. Division Planners are working to establish POC.
- County is working to return to normal to support tourism Industry by 10/1/2017 in Key West
- County EOC reducing footprint of external agencies and hopes to return to normal Operation Monday 25 September 2017.
- County is inquiring about Basecamp support to federal resources. Rumor that the Empire State will be relocating to Puerto Rico could impact accommodations for follow on resources
- Debris removal (specifically PPDR approval) is a concern. There is a lot of mobile home parks affected.
- There is a rumor that the 60-day limitation requirement has been waived in IRT NFIP Flood Insurance – County would like to release a press release. Will there be a Joint State/JFO PIO release of this info?

Unmet Needs:

Monroe County:

- DSA & DRC resources. County does not feel we are able to meet immediate needs of Citizens. People are asking, “Where is FEMA?” in highly affected areas. Information on DRC via Joint PIO release from State and FEMA is needed soon.

Community Feedback:

Monroe County:

- People calling 1-800 Disaster Assistance line experience long waits.
- DSA services not adequate – survivors being referred to help line for follow up actions. Being asked when Disaster Recovery Centers will be stood up.
- Inquiring about debris removal.

Daily Incident Briefing Slides #16
Florida Incident Complex 09232017
Branch V/Issues and Challenges
0930 EDT (Day 20)

FEMA

Tasks Accomplished:

Palm Beach County:

- Visited the DSA Teams in the field.
- Sent the DSA Teams to the city of Pahokee to work stations at the “Caring Community Coalition for Disaster Relief” event. We will be on site until 7ish. Will provide details tomorrow.
- Personally coordinating the FEMA effort at the Coalition Event.
- Conducted an assessment and trend analysis of DRC #2 and ROE Site.
- Conducted an assessment and trend analysis of the “Caring Community Coalition for Disaster Relief” event.
- Worked with the 39 Municipalities on internal PA PDAs.

Pressing Issues/Questions/Concerns:

Palm Beach County:

- Need SA on whether USDA is working the Crops loses in the County.

Unmet Needs:

Palm Beach County:

- Nothing reported.

Community Feedback:

Palm Beach County:

- Nothing reported.

September 2017
